

Aquarobics

COBB COUNTY AQUATIC CENTER

A fun way to get into shape, while using the qualities of water. Buoyancy enables one to do aerobic exercise with minimum strain. Resistance of the water helps to tone up muscles and build endurance quickly. Movement of the joints is greatly improved in the water, making aquarobics an excellent program for those with arthritis, back problems or other medical problems.

Class Times

9:00 am - 10:00 am	Monday, Wednesday, Friday	Aqua-Aerobics
10:00 am - 11:00 am	Monday, Wednesday, Friday	Aqua-Aerobics
