

# CIVIC CENTER

Hudgins Hall is readily adaptable to basketball events, trade shows, exhibits and concerts. This versatile facility is handicap accessible, has bleacher seating for approximately 2400 and depending on the type of event, seating for 500 more on the main floor is possible. If exhibition space is what you need, then we have about 15,000 square feet of usable space. We have chairs, tables, staging and other types of equipment available for you to rent for your event in Hudgins Hall.

Located at the corner of South Marietta Parkway and Fairground Street in Marietta, the Cobb County Civic Center offers two facilities suitable for a myriad of indoor events.
